

Rothwell Primary School Newsletter

11th May 2018

Message from Mrs Rothenburg

This week our Year 4 children did an amazing job representing the school at the skipping competition. Everyone participated enthusiastically during the event and we are very proud of them! Please see the section further down for more information.

As mentioned in a text message this week, now the warmer weather is here, the children will be using the outdoor areas for their PE and other activities. In order for both sessions to take place safely in an afternoon, the gates will not open until approximately 3:05pm. This will allow enough time for parents/carers to park and collect children at 3:15 or 3:20pm. It is important to recognise that we are very lucky having the 'Drive through' to park in; no primary school in the area has this. I am sure you will agree that the learning and safety of our pupils is the key priority.

As you will be aware, our school motto and values are extremely important to us all and form a key part of our school ethos.

Working together to

our potential.

We are fortunate that the majority of parents and carers are extremely supportive of the school and work in partnership with us to ensure the very best for their children. However, there have been a few occasions recently when parents have been rude to members of staff either in person or on the telephone. I feel it is important to be clear that as with any public service, this is obviously not acceptable; this behaviour will not be tolerated. Just to re-iterate, we are always very open and want to work together as we really do appreciate your support to resolve any difficulties. Many thanks.

Next week is a very important week for our Year 6 children as they will be taking part in their SATs tests. They have worked very hard and as always, we just want them to 'be the best they can be'. As mentioned in the Year 5/6 Newsletter earlier this term, to help the children have a calm and confident start to the day, there will be a Year 6 breakfast each day next week, from Monday until Thursday, starting from 8:15am in the Staffroom. (Please enter through the main entrance). There is no charge for this. We hope this will help the children start the day calm and relaxed, with their friends. More details about the papers can be found later in the newsletter.

Many thanks
Leila Rothenburg

Year 4 Skipping Competition

Our Year 4 children were amazing at the skipping competition this week! They tried really hard and worked together fantastically well. We came away with 5 gold, 5 silver and 3 bronze certificates and the skips collated overall for our children have ensured that we are through to the Yorkshire finals in July!!! The children are really excited and very proud of their achievements. Thank you to Miss Martin and Mrs Throp for working hard to help the children to develop their skills and confidence.

Visit the Facebook the page at skipping school ltd and the website www.skippingschool.co.uk.

Our Golden Assembly SUPERSTARS!

Well done everyone!

Foundation Stage - Den building area

Foundation Stage are currently developing a den building area. If you have any of the following resources that you are able to donate to school, then please speak to Mrs Petch or Miss Callaly. The resources needed are: bread or milk crates, tarpaulin, wooden planks of different lengths, tent pegs, guttering, branches and wooden trellis. Many Thanks

EYFS team

Year 6 SATs

Good luck to all Y6 next week as they sit their KS2 SATs tests. All children have worked exceptionally hard throughout the Key Stage, but especially over the last few months. As with all learning, it is an opportunity to 'be the best they can be'. Try to keep the children relaxed over the weekend and ensure a good night's sleep on Sunday so they are ready to go Monday morning. The timetable for the week is:

- Monday – Spelling, Grammar and Punctuation
- Tuesday – Reading
- Wednesday – Paper 1 Arithmetic; Paper 2 Reasoning
- Thursday – Paper 3 Reasoning

Thank you in advance to Governors who will be supporting the school with the administration of the tests. If there are any problems, can parents/carers please phone school at the earliest opportunity so we can put in place the right sort of support.
